2009-2010 Cafeteria News and Secondary School Meals Information

Food and Nutrition Services serves more than 12 million meals annually. We support healthy meal options for students and continually explore new ways to enhance the nutritional contribution and student acceptability of meals. The cafeteria continues to offer the convenience and flexibility of SNAP, a computerized cash register system. Depositing funds into a cafeteria account eliminates the need for a child to carry money every day. Students enter their Personalized Identification Number (PIN) to access their account. The PIN for students returning to the same school remains the same. New students receive their PIN on the first day of school.

Any money left on a student's account last year is available for spending this year. Prepayments to a student's account may be made prior to the start of school.

To make a prepayment:

- Use **myLunchMoney.com**, a new online service to make a prepayment using a credit card. Parents also can check meal account balances, sign up for recurring payments, and much more. Go to **myLunchMoney.com** to register.
- Complete the form below and include a check payable to the cafeteria. Please put the child's first name, last name, and PIN number on the front of the check.

Checks used to pay for school meals must contain an address, phone number, and student PIN number. Returned checks are subject to recovery for the face value and Maryland state allowed fee of \$35 through an electronic debit or paper draft to the same account. Free and Reduced-price Meal Applications

Families who meet certain federal income standards are eligible for free or reduced-price meal benefits. All children use a PIN number so confidentiality is maintained and no child is overtly identified as receiving free or reduced-price meals. Applications for meal benefits are sent home with the youngest in family in the information packet given out at the start of each school year. Only one application is needed for all students in a household. A new application must be completed for any family requesting assistance this school year.
